FAQ'S

What if my child misses a class due to sickness, holiday or other?

The Move Dream Create program allows up to 4 make-up classes per year. Please email hello@movedanceco.com.au and a member of the team will ensure you are booked in for your make-up class.

Are the mid year and end of year performances compulsory?

Although performances are optional for Move Dream Create students, we encourage participation to build confidence and provide memorable experiences.

Do I need to sew or make costumes?

Not at all! We do it all. You simply pay a costume hire fee. All costumes remain at the dance studio until the performance and event dates.

Does my dancer need to have hair and makeup done for the performances?

While makeup is optional for our dancers, having neat hair is a must! We encourage dancers to have their hair in a bun for weekly classes. When it comes to performance time hairspray, gel, mousse and pins are a must for the dancer's bun. We provide clear instructions when performance details are released.

Can I swap classes? or come to a different class each week?

We encourage families to trial the class they intend to enrol in. Each class has a different teacher and although the program is run the same, all of our fabulous teachers have a range of teaching styles.

Do we pay by term or weekly for classes?

Fee's are invoiced to the email used to sign up via the parent portal in the first few weeks of term. Your fees are paid by term. If you join mid-way through a term we invoice you for the remainder of the term. If you would like to go on a payment plan, this can be arranged by contacting a member of the Move Dance Co team - hello@movedanceco.com.au

Can I stay and watch my dancer during class?

For our tiny mover parents or carers, you remain in the class the entire time. Once dancers are in our mini movers (kinder age) class, one parent or carer will be able to attend the free trial to see how the class runs. After this, parents will wait in the foyer for the remainder of the class.
